Guide To Lodging A Claim

Accidental Damage

General Guidelines

- It is important that you do not authorise, or proceed with the repair or replacement of the equipment, until your claim has been assessed.
- The claim form must be submitted with a quote for either repair or replacement.
- All sections of the claim form must be filled-in with as much detail as possible and signed by the user.
- If the actual date of the damage is not known, then a date range should be supplied to show when it could have occurred
- Excess payments are to be made to the repairer/ supplier unless otherwise agreed with Protecsure
- For equipment damaged beyond repair, please supply a statement from your repairer stating that the equipment is not repairable

How to Lodge Your Claim

Please complete the checklist below before submitting your claim

- Is the stated cause of damage as a result of a single identifiable incident?
- Is the stated cause of damage consistent with the damage sustained and the repairs to be undertaken?
- Have you properly described on the claim form how the damage occurred?
- Is the damage caused by multiple, unconnected events? If so, each event is a separate claim and requires completion of a separate claim form and excess payment.

Please return the claim form overleaf to Protecsure together with:

- Proof of purchase, and
- Quote for repair, or
- Quote for replacement if damaged beyond repair, plus repairer statement that equipment is not repairable
